Subject: RE: wiritten readability test success criteria (27-Nov-2014 9:56)
From: [Andrzej Czesławski <andrzej.czeslawski@urpl.gov.pl>](mailto:andrzej.czeslawski@urpl.gov.pl)
To: info@paint-consult.com (and 1 other)

Dear Dr. Jörg Fuchs,

The Polish Ministry of Health Regulation of 26.04.2010, on the subject of leaflet readability testing is based on GUIDELINE ON THE READABILITY OF THE LABELLING AND PACKAGE LEAFLET OF MEDICINAL PRODUCTS FOR HUMAN USE. ...

We confirm that we will accept the 80% success rate for written readability tests.

Kind regards,

Andrzej Czeslawski

Deputy Director of the Department for Medicinal Products Registration
Head of Unit for Registration of Medicinal Products in European Procedures
